Sunday Morning Program

Our Nursery is located in the Rainbow Room at the far end of Robertson Hall. Each Sunday morning, Claire welcomes children up to age three. There are activities provided and a variety of toys for children to explore. Parents are also welcome to stay there with their children to nurse, ease separation anxiety or just to share the time together.

St. David's has the honor of offering baptism classes. If you are interested in having your child baptized, please speak with the

church office.
